“ Tom was an amazing mentor, friend, father and grandfather! As a Boy Scout, he taught me how to tie a fishing knot, as a friend he taught me how to fish with a plastic worm, and as a second father to me he helped me decide what to do with my life after retiring from the Air Force. Tom was always there for me and my family! I know he is sitting next to the Lord and will be watching as we move forward ... it will be odd not being able to cal him, just to hear his voice. He will be missed by everyone he touched in life.

“ Tom,

You were never blood related to me but that never mattered to us, ever since I could remember you were my third grandfather and was always there for my family and I. I wish I could be there for you like you were always there for me, but now you are happier than ever up in heaven sitting in a deer stand looking for that perfect buck. One day we will be reunited again but till then I know that you are standing there looking out for my family and I being my third guardian angel. Thank you so much Tom and I can't wait to see you again. I love you and miss you. You will be missed but never forgotten.
