

Tripp Thomas Pingelton

May 24, 2008 - May 24, 2008

Tripp Thomas, infant son of Brooke (Bridges) and Kevin Pingelton was born on May 24th, 2008 at 3:58 a.m. and passed away on May 24th, 2008 at 5:58 a.m. at Integris Bass Baptist Hospital in Enid, Oklahoma.

Tripp is survived by his parents of Alva, his grandparents Mike and Terri Bridges of Mounds, Oklahoma and Ron and Becky Pingelton of Denison, Texas; Aunts, Uncle and Cousins Brandie, Brody and Wendy Shouse, Kyle, Keri and Dayne Bruce; Great Grandparents Helen and the late Clifford Brock, Louella and the late Pete Bridges, the late Cyril and Betty Pingelton and Jack and Rozella Martin.

Memorial contributions may be made through Wharton Funeral Chapel to Integris Bass Baptist O.B. Unit in honor of Dr. David Parker, Dr. Michelle Bergner, R.N. Tammy Brown, R.N. Barbara Chaney and Darci Hiten as well other staff for the exceptional care and tenderness during our difficult time.

God gave us an Angel
Though his stay was short and sweet
We got to hold his precious hands
And touch his tiny feet
In his face we could see
Reflections of ourselves
And holding him and loving him
Made our two hearts swell.
We would like to thank you Lord
For this time you gave to us
He now is cradled in your arms
This we both do trust
His memory will forever be
In our minds & in our hearts
We will wait until we can join you both
When our lives together again will start.

In loving memory of
Tripp Thomas Pingelton

“ Brooke & Kevin, One of my favorite verses:
"He will cover you with his feathers, and under his wings you will find refuge"
Psalms 91:4.

I know our God is covering you both with his "feathers" and I believe Tripp is there with him wanting his parents to find the peace and happiness he has found, knowing you will all be together someday. Love you and praying for you both.

“ Brooke, your mom called me this evening and told me about your
pregnancy and about Tripp being born so early and how in just two
hours you were all able to bond and fall in love with such a tiny little
angel. It must be so hard to accept and my heart goes out to you. I
just wish I could put my arms around you and give you a hug and
make things alright. I send my love and my prayers.

“ Brooke & Kevin -

Brooke, Karen and I have followed your life for many years through your Mom and Dad, and many times have felt you as close to us and our own six kids. You and Kevin are feeling painful hearts, and a loss that only the two of you will ever know. One thing Karen and I are very sure of is that the God we serve is a loving, caring, and faithful God. We will never know why certain things happen, but we will always know that HIS plan is one of love and hope. You can both be assured that the Lord had a special spot for a new Angel in HIS kingdom, and he saw the most beautiful child HE had ever made in Tripp. Your son is now sitting in the lap of Jesus, and just waiting for the day that all of his family will join him in the Lord's presence. Our hearts bleed with you and Kevin during this difficult time, but know that the Lord has another very special child for you in the future. Love and support each other, show strength in your faith, and be prepared for very special times in your life to come. Our loving Father will never give us more than we can bare. May the Lord bless you both. Our prayers are with you, that you find added strength in your loss.

“ Kevin and Brooke,

It is so hard to find the right words at a time like this. As with all the other condolences, we express our deepest sympathy and sorrow. We want you to know that we have lifted you and your family up in prayer and we would like to share this scripture with you in hopes that it will provide some comforting words from our Lord and Savior.

For Thou didst form Tripp's inwawrd parts; Thou didst weave Tripp in his mother's womb.

We will give thanks to Thee, forTripp was fearfully and wonderfully made; Wonderful are Thy works, and our soul knows it very well.

Tripp's frame was not hidden from Thee, When Tripp was made in secret, and skillfully wrought in the depths of the earth.

Thine eyes have seen his unformed substance; and in Thy book they were all written, The days that were ordained for him, When as yet there was not one of them.

How precious also are Thy thoughts to Tripp, O God! How vast is the sum of them!

If we should count them, they would outnumber the sand. When He awakes, He is still with Thee. Psalms 139:13-18

“ A mothers love is limitless. Our love for our children doesn't stop when they grow up. When our children have children of their own, even more love is born in our hearts. Mothers feel their childrens pain and so want to take that pain away. Sometimes we just can't. We can only be here for you and let you lean on us and surround you with love. We were allowed only a short time to love and embrace Tripp, but he will fill our hearts and our memories with joy forever as part of our family. I am so very proud of you and Kevin and the strength you have shown as parents and as husband and wife. I am here for you always, even if all I can do is cradel you in my arms and love you.....Mom
