“ I remember Scout Master Logston when he visited the Waynoka Troop 737 to teach the boys how to dispose of an American Flag properly. You could tell he was proud of working with the boys. Another time he gifted all the boys with their own camp sets. I do believe I still have my grandsons around. If you needed to know anything about scout he was the 1 to go to. May TAPS be played in his honour as his is laid to rest

He was our assistant Scout Master for many years. Sincerely cared about the boys and loved to share his knowledge. Truly dedicated to Scouting.
