“ Viola, You taught me so much at FmHA when I was just a teen ager. We had lots of fun working together. I thought I was really in trouble when I put those cigarette bombs in your cigarettes one morning! Then you started laughing and together we became partners in crime running next door to my dad's ASCS office where we loaded Arden Chaffee's cigars. We heard them explode through the vents and ran to see the look on Arden's face. What we didn't count on was the look on my daddy's face when he came out of his office!!!! I don't know who ran faster back to FmHA--you or me! I have such wonderful memories of you during my teenage years & as an adult when I moved back to Alva. You have always been such a beautiful, classy lady. Heaven has another beautiful angel.

“ Viola was a dear friend. She and I always talked about our dogs whenever we visited. She was always so thoughtful and remembered my birthday every year and sent a card. I enjoyed working with her at the bank so much. I will always remember her with great fondness.
