“ I knew Vola from when I was a child & going to the movies. I also knew her from waiting on her in the cable office. We became friends from there & she would often ask me to walk down to her house to pick up her bill or to see something beautiful she was crocheting. I am grateful for getting to be a part of her life.

“ Aunt Vola was the last of the original Ernest Veley family. While we didn't see her often, she will always remain a fond memory in our hearts. Our sympathy goes out to Larry & his family.
