“*Speaking for the entire class of 1977 we are saddened by the loss
of your father. In the past we have had several of our classmates
lose their parents. I guess we are at that age when we should
expect that but we are never ready to lose our parents no matter
how old we are. Please accept our sincere expressions of
sympathy. Julie (Davison)Helm*

“ Papa was a good man. Very caring for others. He had a good heart. I visited him recently and I had a lot of fun. He told me stories about his high school years, How he met my great grandma, things about the farm and family. I loved going to the farm when I was little. I used to play in the tractors and in the barn. I remember Papa and grandma used to tell me not to go in the fields because the snakes would get me and they wouldn't know where to find me. He was a funny man and never failed to make me smile. I will always remember Papa and he will always have a place in my heart. I have a lot of childhood memories that revolve around him and grandma. I love you Papa. Rest in peace.
