Winona Leah was born December 18, 1937, in Roff, Oklahoma to Gordon Fletcher Reed and Opal LaJean (Scott) Reed. She passed away on January 26, 2016 at Enid Oklahoma from an injury sustained in an auto accident in Alva, OK.

The family came to Alva in 1949. She attended the Alva School System graduating from high school with the class of 1956. She then attended Enid Beauty College and in the late 50's, opened a beauty shop in her home to support her family from the Alva Community.

She was a member of the Alva First United Methodist Church and sang in the choir.

Mrs. Frazer was preceded in death by her parents.

Winona is survived by her children, Gregory Scott Bowman of Alva and Ann Renee and husband Jacques Walden of St. Robert, MO; grandchildren, Jordan Preston, Marcus Preston, Chereese Bowman, and Gabrielle Garcia; Great Grandchild, Juelz Campos; a sister LaJean Bergren and brother Gordon Reed.

A memorial fund is being set up to honor Winona's memory to hopefully put a stop and end the tragedies of inattentive driving.

“ *Greg and Ann, Am so sorry to hear of the loss of your Mother. She was the one who kept me up to date on things Alva, but had not visited with her for awhile. She was the favorite to fix my Mom's hair for a number of years. God bless you all, and let the memories of happier times give you comfort.*

*Greg, I'm so sorry I didn't know you mother & I think that was because I didn't move to Alva until my junior year at AHS. I still want to tell you & your family how sorry I am about her passing. From the memorial tribute I can tell how sweet a lady your mom was & how much she loved you & your family & how much you all love her. You have some wonderful memories of your time together on earth. May those memories bring you peace and comfort & let you know there will be brighter times ahead as you reflect on them in the future. Prayers for you all. Diana Greer Stein*

*Oh my great grief, I just heard yesterday of your mom's passing. Winona was one of my dearest and sweetest friends I've ever known. We met in a college speech class and laughed a lot together there and years afterwards. She was always laughing and I loved to laugh too, so we always had some funny thing to share with each other. She often cheered me up when I felt down too, so I loved to know she was always there for me.*

*We also talked to each other at least once or twice a year. In fact, that's when I became worried that something was wrong last Friday when I called and the phone rang and rang and rang. I called my cousin Kathleen Reed who called me on Saturday to tell me about Winona's death. I thank her for that though she knew I would be very sad. You must know she was one of the sweetest, kindest, most loving people I have ever met. I loved her like a sister. LOVE Judi Brown Kenny May 22, 2016*
